SEARCH FOR PARENT COMPANIES HEADQUARTERED IN

1. Click on “Add a Country” and select a Country from the dropdown list. Click the green button “Add a Country”

Tip: To search for all countries outside the United States, select “All Non-US Countries” from the drop down.

2. Repeat to add additional Countries. Over 200 countries to choose from.
SELECTING A STATE/PROVINCE

1. Click Add a State/Province
2. Select the State/Province from drop down and click Add a State/Province.
3. Repeat to add additional State/Provinces

TIP: Many Countries are filtered by their State/Province
SEARCH FOR SUBSIDIARIES

1. Click and select a Country from the Add a Country dropdown
2. Repeat to add additional countries.

Tip: After selecting a Country, Select a STATE/PROVINCE to further filter the Country

1. Click Select a State/Province from the State/Province drop down
2. Repeat to add additional State/Provinces
REFINE AND FILTER RESULTS:
1. Parent Company or Subsidiaries, click the appropriate box to filter your results.
2. Show only Private or Public Companies by checking either box.
3. Select Companies with Career Postings for companies with a designated Careers page on their company website.

Tip: View/PDF detail hyperlink for every company website and email address.
SEARCH FOR PARENT COMPANIES WITHIN A ZIP/POSTAL CODE

1. To search by Zip/Postal Code: Select a Country and enter the Zip/Postal Code; Click Add a Zip/Postal Code

2. To search by a Zip/Postal Code Radius: Select a Country and enter the Zip/Postal Code, select a Radius from 1-100 miles and click Add a Zip/Postal Code Radius

Tip: Enter from 2 digits to a full zip/postal code to further filter your search results
SEARCH FOR COMPANIES WITH SUBSIDIARIES WITHIN A ZIP/POSTAL CODE

1. To search by Zip/Postal Code: Select a country and enter the Zip/Postal Code; Click Add a Zip/Postal Code.

2. To search by a Zip/Postal Code Radius: Select a Country and enter the Zip/Postal Code, select a Radius from 1-100 miles and click Add a Zip/Postal Code Radius.

Tip: Enter from 2 digits to a full zip/postal code to further filter your search results.
SEARCH BY NAICS INDUSTRY CODE:
Codes can be entered to search with a minimum of 2 digits to pull in the full title. [For example 31 Manufacturing will pull in the full Title 31] Type a number into the Add an Industry Code box, click on your selected code to add to the box. Click Add an Industry Code.

TIP: Enter multiple codes individually.
Select “Search all NAICS Codes in the System” to search all NAIC Codes by descriptive word or code number.

**Tip:** A new tab will open in your browser allowing for easy searching.
Search NAICS Codes by descriptive word or number. In the example below, the word manufacturing was input into the Search box. When you find your code, go back to the Uniworld Online search page and input the code into the Add an Industry Code box.
SEARCH BY REVENUE AND # OF EMPLOYEES

Click all boxes that apply to search criteria.

<table>
<thead>
<tr>
<th>REVENUE</th>
<th></th>
<th># OF EMPLOYEES</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>$0 - $4.9M</td>
<td></td>
<td>0 - 10</td>
<td></td>
</tr>
<tr>
<td>$5M - $9.9M</td>
<td></td>
<td>11 - 50</td>
<td></td>
</tr>
<tr>
<td>$10M - $49.9M</td>
<td></td>
<td>51 - 100</td>
<td></td>
</tr>
<tr>
<td>$50M - $99.9M</td>
<td></td>
<td>501 - 1000</td>
<td></td>
</tr>
<tr>
<td>$100M - $499.9M</td>
<td></td>
<td>1001 - 5000</td>
<td></td>
</tr>
</tbody>
</table>

Tip: Use 0-4.9M revenue or 0-10 employees to pull in private companies who do not report their revenue or employee numbers.
REVIEW YOUR RESULTS:
Click on your desired viewing option, View, PDF, Excel.
A new browser tab will open.

Tip: You can review all three view options for every search. A new browser tab will open each time preserving the Search for Companies tab allowing for easy revision of your search criteria or new search.
