1. Log into GBL’s Business Book Summaries database with your NetID.

2. At the very bottom of the page, look for the BBS iPhone/iPod Touch Application link.

3. Fill out the form to email yourself the authentication key:

4. On your device, open the email from ephost@ebscohost.com, which includes instructions on downloading the app from the iTunes Store and your authentication key. The activation link will expire in 24 hours from the time you receive it.
