Business Intelligence Short Takes: A Research Series

## Real Estate Resources

Malisa Anderson, Business Librarian

### Housing Data & Statistics

#### American FactFinder

<http://factfinder.census.gov/>

- Find data on a region, state, city, or zip code, including average income, owner and renter occupied housing

#### U.S. Census Bureau American Housing Survey

<http://www.census.gov/prod/www/abs/h170sma.html#2004#2004>

- Offers 200+ page PDF reports on a variety housing characteristics for selected metro areas

#### U.S. Census Bureau Construction Statistics

<http://www.census.gov/const/www/>

- Monthly update covering housing starts and other residential construction data

#### U.S. Census Bureau Housing Topics

<http://www.census.gov/hhes/www/housing.html>

- Census data on housing affordability, vacancy and home ownership

### Lists

#### Gary Price's List of Lists -- Real Estate Rental & leasing

[http://www.specialissues.com/lol/dispLOL.cfm?Subject\\_ID=REALEST002](http://www.specialissues.com/lol/dispLOL.cfm?Subject_ID=REALEST002)

- Includes lists on top real estate developers, lenders, buyers and investors

#### Book of Lists (Business Chronicles)

Print only; located in CAREER REF section of the Woodruff Library.

- Annual, year-end lists of local companies across 50+ U.S. metro areas. Most lists are organized by industry; most include several real estate rankings
- Information usually includes company name, address, industry, sales, and top management.
